

Reaction Research Society

PO Box 90933, Los Angeles CA. 90009-0933

Membership Application

Corresponding Membership: This membership type is for those interested individuals who live outside the immediate area and / or cannot attend meetings and firings. Corresponding members receive the Newsletter and have all the privileges of Associate membership except firing privileges (unless he or she is sponsored by an Administrative or Associate member). There is no age limit for corresponding membership. Dues are \$30.00 a year.

Associate Membership: Are "active" members who have all the privileges of Administrative members except that of serving as a project or testing chief, voting at meetings of the membership for officers, or holding Society office themselves. Associate membership is an initial active membership and can lead to Administrative membership with the approval of the Executive Council and after certain Society requirements are met. Associate members must be 18 years or older. Dues are \$35.00 a year. Associate membership can be extended to immediate family members (spouse and / or dependant children under 18) for an additional \$20.00 per year.

List of Special Skills			
Membership in Professional or Scientific Societies			
Areas of Interest in Amateur Rocketry			

Disclaimer: I, the undersigned, by my action in joining the Reaction Research Society, agree to indemnify and hold harmless the Reaction Research Society, its appointed pyrotechnic operators, each of its members, officers, and agents from and against all claims, damages, or injuries direct or consequential arising out of any participation in activities associated with rocket test operations. I understand the potential hazards involved with rocket launch and static test activities. I also recognize that violations or non-compliance with the directions (pertaining to safety) of the Pyrotechnic Operator in charge of any particular event, may result in suspension of my participation in firing events.
